[Kassia](#) is a new condominium with a 99-year leasehold located on Flora Drive in District 17. Anticipated for completion in 2028, this development consists of one block and a total of 280 units.

Strategically positioned in close proximity to Pasir Ris East MRT (CR4) and Tampines East MRT (DT 33), as well as hawker centers, shopping malls, and various amenities, Kassia offers convenience and accessibility. Nestled along Flora Road at the eastern outskirts of Singapore, it provides a tranquil escape within a private residential community.

Kassia features two distinguished towers, each with eight levels of luxurious residences. With only 276 exclusive units available, ranging from 1 to 4 bedrooms, residents can enjoy a privileged living experience.
